

HIGHLAND LAKES WATER DISTRICT

APPLICATION FOR WATER TAP PERMIT

1. The undersigned Applicant hereby requests authority from the Highland Lakes Water District ("the District") to tap into the water lines of the District for a residential lot located within the boundaries of the District, being identified as:

(legal description)

with a property address of \_\_\_\_\_ (hereinafter "Real Property"), The Applicant acknowledges that he/she has been provided with, has read and is familiar with the Rules and Regulations of the District.

2. Applicant realizes that as a necessary and integral part of this Application the following is hereby submitted:

- a. Teller County building permit.
- b. Application for ISDS approval or prior approved application
- c. Any required Teller County road cut permits.
- d. An accurate diagram of the proposed location of the water meter, remote reading device, and the property shut-off valve.
- e. Proof of licensing and insurance, as required under Section 6.3.4 of the Rules and Regulations.

Applicant understands that this Application cannot and will not be considered without these documents.

3. Applicant acknowledges that he/she shall not be allowed to connect to the District water system without approval of this Application, payment of tap fees, and compliance with the Rules and Regulations of the District.

4. The Applicant agrees that he/she is bound by the Rules and Regulations of the District and that he/she shall comply with those Rules and Regulations at all times. Applicant agrees to be responsible for any and all damages caused by his/her contractors and all subcontractors as a result of their noncompliance with the Rules and Regulations or otherwise. Specifically, without limitation, Applicant and its contractor shall comply with all provisions of the Rules and Regulations regarding initiation of service, construction of service lines, excavations, connection of service lines to the main, and service line inspections, as set forth in Sections 5.9 through 6.35 of the Regulations.

5. Applicant acknowledges and agrees that full payment of the tap fee assessed in accordance with Section 8.3 of the Rules and Regulations is due and shall be paid upon submittal of this Application.

6. Applicant acknowledges and agrees that prior to beginning any excavation work within the District, the Applicant shall contact the District to determine the approximate location of the main lines.

7. Applicant acknowledges and agrees that the water tap and fee paid therefor may not be transferred to any other person or property except with the written

permission of the Board, which approval shall be in sole discretion of the Board as required under Section 8.4 of the Rules and Regulations.

8. Applicant acknowledges and agrees that a water meter and remote reader supplied by the District is required to be installed, and that the installation and location of the meter and remote reader shall be subject to the approval of the District, as set forth in Section 4.2.3 of the Rules and Regulations, attached as Exhibit A and incorporated by reference.

9. Applicant acknowledges and agrees that Highland Lakes Water District shall not in any event be responsible or liable for any costs, damages, or liabilities associated with the construction, installation, or operation of any private water lines.

10. Applicant acknowledges and agrees that in no event will water service be initiated prior to full compliance with the above requirements, together with written approval of this application and issuance by the district of a Tap Permit.

11. Applicant acknowledges and agrees that this Application is specific for the building permit and diagrams submitted with this Application.

Dated this \_\_\_\_ day of \_\_\_\_\_, 20\_\_.
